

ClearOne AP to XAP Trade Up Program

End-User Rebate

ClearOne recognizes clients' desire to maintain state-of-the-art facilities without losing their investment in working, albeit less advanced, equipment. We are pleased to offer an upgrade program to allow end-user customers to more easily purchase the newest, most advanced equipment available.

For a limited time, ClearOne is offering an end-user rebate when you trade in AP (Audio Perfect) products and purchase XAP equipment.
