

# Wireless Microphone System Promotion for Upgrading or Replacing 3rd Party Wireless Mics

Upgrade or Replace existing Revolabs/Shure/any Wireless mics system of any channel size with ClearOne/Sacom Wireless mics and receive an extra **10% off**.

This promotion is designed to provide better margins for dealers by replacing competitor systems with ClearOne's quality wireless systems - the most economical, versatile and easy to install, easy to use, and easy to scale wireless systems in the market today.

The full line of 4-and 8-channel receivers and transmitters include tabletop, gooseneck, hand-held, and belt-pack lavaliers with single-ear headsets. They complement other professional audio products from ClearOne including CONVERGE Matrix, CONVERGE Pro/SR, INTERACT products. The optional built-in Dante™ networking support provides transporting digital audio over Ethernet.

**ClearOne partners now have full, one-stop sourcing, support, and guaranteed performance for their complete, installed professional audio systems.**
