

# Versa Mediabar® Video Soundbar

High-quality video soundbar with natural sounding audio and true-to-life video for smaller spaces and huddle rooms.

- > Built-in 4K Ultra HD camera with 110° ultra-wide-angle field of view.
- > Intelligent audio and video technology plus ePTZ functionality for precise auto framing and people tracking.
- > Integrated 4-element microphone array with 360° omni-directional voice pick-up and intelligent DSP for Acoustic Echo Cancellation (AEC) and Automatic Noise Reduction.
- > Powerful built-in speaker designed to hear every word.
- > Pair with your smartphone or tablet with Bluetooth connectivity for exceptional audio quality
- > Designed for high-quality visual collaboration, audio conferencing, and UC applications from a single integrated device
- > Versatile mounting options including wall and display
- > Supports standard UVC commands for control.
- > Comes with 2-year support and maintenance warranty with additional extension options.

### APPLICATIONS:

- Enterprise Video Conferencing
- Remote Education
- Training
- Remote Medical Consultations

### WORKSPACES:

- Huddle Spaces
- Executive Offices
- Small Meeting Rooms

### Professional quality

Compact design with single USB connection makes installation quick and easy.

### High-Quality Desktop Collaboration

Perfect for popular cloud-based video collaboration applications such as Microsoft Teams, Zoom, WebEx, Google Meet and more.
